OLD BUSINESS

New Year's is going well but we need more volunteers. There are only 6 people organizing the whole event and a lot of nice prizes have been donated. Still need more tickets to be sold.

Scorer's table to be delivered on Jan. 3rd.

Move to get the snack bar named after David and Sherri Kahn, Lee-Ann motions for this to happen, Lori Smith seconds and all approve.

Grants for Cross-country and golf from last month are approved by the board.

NEW BUSINESS

Tina wants to be able to purchase a banner for our CIF champion football team to hang at the firehouse and then at the field. Players would sign it with a gold sharpie. The vinyl banner would not be more than \$500. Tina motions to approve, Lori Smith seconds and all approve.

Wal-Mart will be donating \$6000 to WHS booster thanks to David and Sherri Kahn and their persistence and dedication to our school and community.

King of the Mat and Prince of the Mat is the weekend of Jan 13-14. There will be 40 schools participating and the snack bar will be busy. Need a schedule for the teams working it and the teams with the grant requests should be first. There was also discussion about the kettle corn people not coming because of them taking monies away from our snack bar. They will not be at the King of the Mat, but possibly at future football games.

Lori Smith motions to adjourn the meeting at 7:45, Lee-Ann seconds and all approve.
