Old business:

Lori Higashi is waiting on money from the BB and VB teams to help pay for the new scorers' table.

Club Midnight mailers went out and 6 tickets have already sold. Still in need of a silent auction chairman, they will have groups from school help set up and pay two people to clean up. Sherri got 4 Disney passes and is looking for donated air fare for a awesome prize. There will be lots of great appetizers, drinks and desserts as well as gambling, a DJ and silent auction. If groups sell tickets they will make up to 10% of each ticket sold.

Band grant-we are asked for \$2000 to band for Jazz instruments. Board accepts, all approve everyone votes "Aye" and the grant is given.

Boosters and Club Midnight will have trees for Christmas on the town green.

Britney Lucchesi wants to make t-shirts for her senior project but we do not understand where the \$ goes. Need more information before more discussion.

Swim team wants to do a pancake breakfast in Feb. at the community center. Boosters supports it.

George wants to name the snack bar after David and Sherri Kahn. Need to go to the school board to approve. They so deserve it. Thank you.

Scoring table for the gym needs money from boosters and Sherri motions to give the necessary money for the table, George seconds and all approve.

Sherri has two more items, one is a "voice box" idea and the second is that the chamber wants us to have a booth at their function where we pay \$275 and give stuff away.
